

Double-headed Elvis

Per Gessle

I ran into this girl
Born into this world
As double-headed elvis
Double-headed elvis

While i was wondering why
One smiled one kissed me goodbye
Double-headed elvis
Double-headed elvis

Im sorry but thats all there is
Im sorry but thats all there is
Im sorry but thats all there is
Im sorry but thats all there is

Double-headed elvis
Yeah yeah yeah
Double-headed Elvis
Yeah yeah yeah
