

# If I Knew Then

Per Gessle

Skating on a river  
Sleeping on a bus  
I really thought  
I could forget about us  
Oh, no, oh, no

Every smile is crying  
Every lie is true  
Everyday I run into something  
That reminds me of you  
Hey, you

If I knew then  
What I know now  
It would've been a different situation  
I should've known somehow  
That love is such a beautiful thing  
Love is such a beautiful thing  
When you're around

I had much to drink  
And got a tattoo  
Desperately and neat  
Of something that I wanted to do  
For you

If I knew then  
What I know now  
I could've understood the complication  
I should've known somehow  
That love is such a beautiful thing  
Love is such a beautiful thing  
When you're around

And I wonder  
Who will be laying in my bed  
Who will be picking the roses  
Who'll share the pillow I dream on  
When rains fall all over my blue legs  
Ooh, over my lost brakes  
Ooh, over my mistakes  
Ooh

If I knew then  
What I know now  
We could've made a wonderful creation  
I should've learned somehow  
That love is such a beautiful thing  
When you're around

It would've been a different situation
