

All around the world you go  
All around the world you go  
All around the world you go  
The more you go, the less you know, hey baby  
You'll never stand a chance

All you're lookin' for is somebody to feed you  
All you're lookin' for is something in the air  
All you're gettin' are some trash to breathe  
The more you leave, the more we love you baby  
Why should you stand a chance?

All that you love, all that you need  
You came in for KIX  
All that you love, all that you need  
You came in for KIX

You're a super accident, you're a major accident  
Everybody's tryin' to pay the rent  
-"Out she went!" It's heaven sent , hey baby  
You'll never understad

All that you love, all that you need  
You came in for KIX  
You're workin' so hard on your demand  
It's all about KIX

It's not that funny, is it?  
It's not that funny, is it?  
It's not that funny...funny...

All that you love, all that you need  
You came in for KIX  
You're workin' so hard on your demand  
It's all about KIX

All that you love, all that you dig  
You came in for KIX  
It's all in your head, it's all in your bed  
It's all about KIX KIX KIX

It's all about KIX  
Sweet sweet KIX  
It's all in your head  
It's all in your head  
It's all about KIX
