

## Missing you now

Percy Sledge

I talk to you but it's not the same as touching you.  
And every time you whisper my name I want to run to you.  
We'll be together, it won't be long, it won't be long.  
But it feels like forever, and it's so hard to be strong.

Baby, 'cause I'm missing you now  
and it's driving me crazy (how I'm needing you baby)  
I'm missing you now (can't wait till I'm alone with you)  
to show you how I'm missing you now.

Wishing you were here by my side is all that I can do.  
Got my arms around my pillow at night, they should be holding you.  
I thought I was stronger, how could I know, how could I know.  
I can't take this much longer, it's so hard on my soul.

Baby, 'cause I'm missing you now,  
and it's driving me crazy (got to be with you baby)  
I'm missing you now (don't know what I'm gonna do)  
the way I'm missing you now.

Baby, I just can't wait till I see your face  
chase away this loneliness inside  
When you're close to my heart right here in my arms,  
then and only then will I be satisfied.

I'm missing you now.
