Pere Ubu

It was the sound he heard.
It was a funny thing to feel.
It was the sound he heard.
It was a funny, funny thing to feel.
Bubbles!
Bubbles of air.
Sinking down fast.
I must have been looney.

It was the sound he heard.
What a funny thing to feel!
It was the sound he heard.
What a funny, funny thing to feel!
Yellow walls.
Dishes!
Dishes!
Dishes!
All for love of you.
I must have been looney.

It was the sound he heard.
What a funny thing to feel!
He had to talk about -
He had to talk about that funny thing.
Don't panic.
Don't! Don't panic.
Here it comes.
Water.
Water is the sound he heard.
Water.
Water is the sound.
