

Mona

Pere Ubu

I hope some people say,
He's a wild one
Anyway...
You know I'm a rolling stone;
You know I been born to be alone
But I'm just happy to be me
Mona, my Mona
She comes to me from Arizona
Bombay, Talinn -
pretty places that I never seen
You know I been born to roam
I grab my hat -
that's my home
Mona loves Popeye
Mona loves Popeye
Mona loves Popeye, loves Popeye, loves Popeye

Who knows the hearts of men?
I've heard it all,
but then again...
You know I been born to run
Mona, my Mona
She comes to me from Arizona
I'm just happy to be me -
just a cartoon sailor on a cartoon sea
Mona loves Popeye
Mona loves Popeye
Mona loves Popeye, loves Popeye, loves Popeye

I hope some people say,
He's a wild one
Anyway...
I hang my hat then it's time to go
Mona, my Mona
She comes to me from Arizona
Mona, my Mona
She comes to me from Arizona
I'm just happy to be me -
just a cartoon sailor on a cartoon sea
