Talk to me

Bears are best!
Bears are best!
Bears are best at the zoo
Penguins still wander round in clumps like penguins always do
Water pig,
ugly as an old stick
Good ole fella!
Good ole pal!
Ugly as a stick though

Talk to me

The zoo, like so many things that men do,
fails to satisfy the needs of living things like them or even y
ou
You'll might find that we walk the streets of a sad and lonely
town

Talk to me

Oh dear,
oh darlin child,
don't you sob & don't you cry...
if tears was enough then it's tears that we'd always cry;
but the tears make a flood,
and the blood is a hurricane,
and everyday,
like it's off to work,
men carry on the same
