

Waiting For Mary

Pere Ubu

Welcome to Mars!
It's open all hours.
Bill's in the back and Fred's on the phone, sayin,
"What are we doing here?"
Oh, he was sayin that you are never alone in the
Twilight Zone.
What are we doing here?

Waiting. For. Mary.
Waiting. For. Mary.
Waiting. For. Mary.
Oh.

I oughta know but my memory is goin.
As bad as it seems maybe we're dreamin.
Don't mind the stares we've paid for these chairs.
And keep up that smile, it might be awhile.
What are we doing here?

Waiting. For. Mary.
Waiting. For. Mary.
Waiting. For. Mary.
Oh.

Oh, I.
Won. Der. Why.
She. Can't. Be.
On. time. Ever?

What do you know, it had to be snowin!
I'm down on my knees.
I'm beggin you please.
Oh, what do you see?
Why, it had to be me, sayin, What?
What are we doing here?
Now, one at a time or all in a line, say it:

Waiting. For. Mary.
Waiting. For. Mary.
Waiting. For. Mary.
Oh.
