

Worlds In Collision

Pere Ubu

Any day is half a night
I'll be the moon
You hold the light
You don't want to know what's been beached on the sand
The worse it gets, the more I understand
Les haricotes sant pas sale
(Something weird is coming this way)
Cling to me, I will cover you
Don't it seem to be like a honeymoon?

Mountains rumble
The rivers sway
Run to me
There's a storm on the way
You don't want to be alone with the truth on the lam
The worse it gets the more I understand
Les haricotes sant pas sale
(Something weird is coming this way)
Cling to me, I will cover you
Don't it seem to be like a honeymoon?

Is it a dream?
Darkly so
Smiles all around
Maybe nobody knows
You don't want to be near when fear grips the land
The worse it gets the more I understand
Les haricotes sant pas sale
(Something weird is coming this way)
Cling to me, I will cover you
Don't it seem to be like a honeymoon?

Les haricotes sant pas sale
(Something weird is coming this way)
Cling to me, I will cover you
Don't it seem to be like a honeymoon?
