

## Cut Me Off

Perfect Stranger

You know I love to drink my share of whiskey, beer and wine  
But lately I've had one too many, one too many times  
So bartender, I've been thinkin' up a drinkin' resolution  
I've thought about it long and hard and here is my solution

Cut me off at one tonight that's gonna be my limit  
Help me look out for my elbow and watch how much I bend it  
I can't stay out all night no more, I gotta get home early  
So cut me off at one tonight or about one thirty

If they held a honky tonk marathon, I know I'd win the prize  
Cause every night when I crawl home the sun gets in my eyes  
But tonight its gonna be different, yeah, I'm finally cuttin' d  
own  
In fact I feel so good, I think I'll buy another round

So cut me off at two tonight that's gonna be my limit  
Help me look out for my elbow and watch how much I bend it  
I can't stay out all night no more, I gotta get home early  
So cut me off at two tonight or about two thirty

Well, there's more to life than fun  
And games and it's high time that I learn  
There's times you gotta sacrifice  
And I guess that it's my turn

So cut me off at three tonight that's gonna be my limit  
Help me look out for my elbow and watch how much I bend it  
I can't stay out all night no more, I gotta get home early  
So cut me off at three tonight or about three thirty

Yeah, cut me off at three tonight  
Or about three thirty, yeah
