Don't Let Them In

Perfume Genius

Don't let them in
I am too tired
To hold myself carefully
And wink when they circle
The fact that I'm trapped
In this body

Don't let them in I have my own dreams About that couple

In an alternate ribbon of time My dances were sacred And my lisp was evidence That I spoke for Both spirits

Don't let them in
They're well intended
But each comment rattles some deep
