

No Tear

Perfume Genius

Roof comes down
And you leave me with nothing, I
I will shed no tear (will shed no tear)
Earth gives way
You leave me hanging, I
I will shed no tear (will shed no tear)

Baby, the feeling will bloom
With or without you
And the core, it will turn
with or without you

And I will carry on
I will carry on
With grace
Zero tears on my face (zero tears on my face)
