

Cowards

Perkele

I try to explain
But you don't listen to me
I try to tell you
You refuse to care
I try to show you
But your eyes are closed
What else can i do
Now it's up to you

You're nothing but
Cowards
And you got no Pride at all at all at all
You're nothing but
Cowards
And you got no pride at all

When i turn around
You stab my back
When im out of sight
You're spreading lies
When i don't see
You steal from me
Now i know what to do
Beat you black and blue
