

Flame

Perkele

You can't stand there with your hands in your pockets
Coz you get nothing for free
You got to work hard to deserve your pride
And for your dreams to come true
Some days it's hard to think positive
And everything feels upside down
But keep on working, never give up
You got to keep up the faith

You got to work hard
For your dreams to come true
Got to keep the flame alive

You can't sit there doing nothing at all
If you want a dream to come true
It's something that you got to deserve
And no one will give it to you
There's always people who refuses to work
And got no pride to all
They keep on cheating, keep on loosing
I wish they all will fall
