

# Gone Too Far

Perkele

It's normal using dope  
for the kids today  
the legalizing process  
has gone to far  
I'm not gonna wait  
for the misery  
the final solution  
is behind your door

I can't believe  
what I see  
I'm waiting  
for the blood to flow

I can't believe  
what I see  
I'm waiting  
for the blood to flow

The dope propaganda  
is everywhere  
on the children's CD's  
and their TV screen  
I'm gonna to hear  
that shit anymore  
the bomb is ready  
to explode

I can't believe  
what I see  
I'm waiting  
for the blood to flow

I can't believe  
what I see  
I'm waiting  
for the blood to flow

I can't believe  
what I see  
I'm waiting  
for the blood to flow

I can't believe  
what I see  
I'm waiting  
for the blood to flow
