

Here To Stay

Perkele

It's hard to get somewhere to play
banned from every place
but we will fight till the end
the Oi! will never die
the music I play it's in my heart
and you can't rip it out
we're playing loud
and got something to stay
we are here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

You can't stop us, we're too strong
we got a will to win
we got the strength
we got the faith
we will never lose
we're playing Oi!, we're proud of it
we will never change
with our pride we're here to play
we are here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

We walk our way
and no matter what you say
we promise that the Oi! is here to stay

We walk our way

and no matter what you say
we promise that the Oi! is here to stay
Here to stay
