

I Want To Know

Perkele

I believe in loyalty, I don't need to be betrayed
Don't need dishonest friends, only friends who I can trust
Wanna know who I should hate, wanna know who I should fight
Only need some honesty, hypocrites can go to hell

I wanna know, I wanna know - Who's my friend, who's my enemy
I wanna know, I want to know ...
I wanna know, I wanna know - Who's my friend, who's my enemy
I wanna know, I want to know ... Who I can trust

I wanna know, I wanna know - Who's my friend, who's my enemy
I wanna know, I want to know ...
I wanna know, I wanna know - Who's my friend, who's my enemy
I wanna know, I want to know ... Who I can trust
