

Liar

Perkele

They want us to believe in their fucking god
They want us to join in and believe in miracles
and commit suicide for they fucking lie
You can take your fucking god and shove him up your arse

Liar, Liar, Liar, Liar!
Liar, Liar, Liar, Liar!
Liar, Liar, Liar, Liar!
Liar, Liar, Liar, Liar!

I will never join your sect and listen to your lies
Go on and kill yourself
And bring your God into your grave
Cause we don't need your lies about a paradise
I hope you'll find your paradise in a coffin full of worms

Liar, Liar, Liar, Liar!
Liar, Liar, Liar, Liar!
Liar, Liar, Liar, Liar!
Liar, Liar, Liar, Liar!
