

Mr Streetcleaning Man

Perkele

He's reading the papers in the morning
Everyday a murder or a rape
Childmolesters, perverts everywhere
He gets enough and goes to work

(4x)

With a baseball bat he's cleaning our streets
... He's cleaning our streets tonight!

(4x)

With a baseball bat he's cleaning our streets
... He's cleaning our streets tonight!

He's waiting outside the court when you come out
To give the judgement you deserve
You will pray that you were innocent
There's no way out in this court

(8x)

With a baseball bat he's cleaning our streets
... He's cleaning our streets tonight!
