

## Mr Streetcleaning Man

Perkele

He's reading the papers in the morning  
Everyday a murder or a rape  
Childmolesters, perverts everywhere  
He gets enough and goes to work

(4x)

With a baseball bat he's cleaning our streets  
... He's cleaning our streets tonight!

(4x)

With a baseball bat he's cleaning our streets  
... He's cleaning our streets tonight!

He's waiting outside the court when you come out  
To give the judgement you deserve  
You will pray that you were innocent  
There's no way out in this court

(8x)

With a baseball bat he's cleaning our streets  
... He's cleaning our streets tonight!
