

My Life

Perkele

You think you got the right to tell me what to do
But you can never change me the way you want me to
You're wasting your time, you're wasting your life
I don't care what you say
Leave me alone, I don't want you around
It's time for you to stay away

What makes you think you can tell me what to do ... ?!
What makes you think you can tell me anything ... ?!

You think you got the right to tell me what to do
But you can never change me the way you want me to
You're wasting your time, you're wasting your life
I don't care what you say
Leave me alone, I don't want you around
It's time for you to stay away

(2x)

What makes you think you can tell me what to do ... ?!
What makes you think you can tell me anything ... ?!

(8x)

My life, my choice - You can never change me ... no way!
