

My Own Way

Perkele

You are telling me that I'm violent
You're telling me that I'm sick
I'm a product of today
A product of a sick society

You keep telling me that I'm wrong
But you can't stop me from fighting for my future
You keep telling me that I'm wrong
Because I deal with the problems in my own way

You are telling me that I'm wrong
You're telling me that I'm dumb
Cause I don't follow their lines
Cause I follow my own way

You think that you are smart
You think that you are right
Cause you do what you are told
You dress like anyone else

You keep telling me that I'm wrong
Because I deal with the problems in my own way
You keep telling me that I'm wrong
Because I deal with the problems in my own way
