

# Raise Your Voice

Perkele

Don't let anyone mess with you - If someone tries, you know what to do

Don't be scared, use your strength - Now it's time to ... fight back!

Show your feelings, show your hate - Now it's time to raise your voice

If they want to fight with you - Then it's time to ... attack!

(2x)

Stand strong - Stand proud

Stand strong - Raise your voice

(2x)

Don't let anyone put you down and try to tell you what to do

It's time to show your own opinion, raise your voice and say ... 'Fuck you!'

Show them aggression, show them pain - Now it's time to show your gain

You got your pride, you got your strength - Now it's their time ... to lose!

(2x)

... Raise your voice (4x)
