

Shithead

Perkele

You're using your power to try to brake us down
Full of corruption, full of lies, you suppose to rule our land
And give us a future - We're going straight to hell
We'll get a nightmare and it is because of you

(4x)

Shit, shit, shit, shit, shit, shit ... Shithead!

You're using your power to try to brake us down
Full of corruption, full of lies, you suppose to rule our land
And give us a future - We're going straight to hell
We'll get a nightmare and it is because of you

(4x)

Shit, shit, shit, shit, shit, shit ... Shithead!
