

Subculture shame

Perkele

Coz you got shaven head
And pair of marten boots
It does not mean that you're a skinhead
Coz you have spiked your hair
And ring in your nose
It does not mean that you're punk

You're subculture shame
It's your name
You're subculture shame

Coz you are shouting Oi!
And you got the attributes
It does not mean that you're an Oi! band
Coz you play punky chords
And you pose like the pistols did
It NEVER! do you to a punkband
