

# Shaken Baby

Pernice Brothers

Please don't leave, would you stay until I'm sleeping  
I wake up tomorrow, still I won't feel alive  
And hear the trees brush a green light on the window  
And the last collision of your breath on the wall

Stare me down and tell me that it's true  
Stare me down so I believe in you  
Even then I won't believe in you

Please don't leave  
Would you stay until I'm sleeping  
Would you stay until I'm sleeping

Stare me down and tell me that it's true  
Stare me down so I believe in you  
Even then I won't believe in you  
Shaken like a shaken baby

On and on and on  
On and on and on  
On and on and on  
On and on and on and on

Put another drop beneath those fingers in your hair  
That sulk upon your chin  
I think I'm too tired from the weight of putting you

On and on and on

Stare me down and tell me that it's true  
Stare me down so I believe in you  
Even then I won't believe in you  
Shaken like a shaken baby

On and on and on  
On and on and on  
On and on and on  
On and on and on and on

On and on and on  
On and on and on  
On and on and on  
On and on and on and on

On and on and on  
On and on and on  
On and on and on  
On and on and on and on
