

## Ava

Perry Blake

Solitaire, solitaire  
Catch the moment that I had you near  
Solitude, solitude  
Will good fortune make a path for you?

Ava ava  
Spending my days without you  
Ava ava  
Ending my days without you

Celebrate, celebrate  
Cut the bows and watch this all sail away  
Fear is fine, fear is mine  
But when it's gone will that morning be mine?

Ava ava  
Spending my days without you  
Ava ava  
Ending my days without you
