How Can The Knower Be Known

Perry Blake

```
How can the knower be known John John?
How can the knower be known?
If it rains everyday
If it rains everyday
Will you sink?
Will you swim?
Will you swim?
Will you swim?
Will you swim?
Will you sink a bird in jail?
How can the knower be known John John?
How can the knower be known?

If it rains everyday
If it rains everyday
If it rains.
```
