

## Little Boys & Little Girls

Perry Blake

Tragic tenor sing to me  
Of lust and deep depravity hello? hello?  
Lock me up this time for good  
Before I might be understood hello? how low...

So all of the worlds  
Little boys and little girls  
Can sleep peacefully  
In their tiny beds

Tragic tenor kiss my ass  
And give my filthy mouth a bath hello? hello?  
Lock me up this time for sure  
Before somebody finds a cure hello? hello?

So all of the worlds  
Little boys and little girls  
Can sleep peacefully  
In their tiny beds
