

Venus Of The Canyon

Perry Blake

Venus, here's your answer
Venus, this girl's not for you
And it's true she's your alibi
She's your golden child.

I had it all
I had it all
I gave it up
Solitude
Solitude
Solitude
Silent night
Silent night
Silent night.

Seamless, seamless as the days roll by
Venus, she's your alibi
And it's true
She will never cry for you

I had it all
I had it all
I gave it up
Solitude
Solitude
Solitude
Silent night
Silent night
Silent night

Where are you?
Wake up!
Where are your solitude?
Where are you?
Wake up...

As the years roll by
Venus, she's your golden child
And it's true
She will never cry...

I had it all
I had it all
I gave it up
Solitude
Solitude
Solitude
Silent night
Silent night
Silent night.
