What a beautiful noise
Comin up from the street!
Its got a beautiful sound,
Its got a beautiful beat.
What a beautiful noise
Goin on everywhere!
Like the clickity clack
Of a train on a track
Its got rhythm to spare.
What a beautiful noise
Its the sound that I love,
And it fits me as well
As a hand in a glove
Yes it does, yes it does,
Yes it does!
What a beautiful noise! ~ what a beautiful noise!
Comin up from the park \sim comin up from the park
Its the sound of the kids \sim sound of the kids
And it plays until dark ~ and it plays until dark
Its the sound of the cars ~ sound of the cars
On their furious flight ~ on their furious flight
. . . but there's even romance
In the way that they dance
To the beat of the night!
Its a beautiful noise!~ what a beautiful noise!
And it's the sound that I love! ~ and it's the sound that I love!
And it fits me as well \sim and it fits me as well
As a hand in a glove! ~ yes it does!
Yes it does! ~ yes it does!
Yes it does! ~ yes it does!
Yes it does, yes it does!
