## **Bless The Beasts And Children**

**Perry Como** 

Bless the beasts and the children For in this world they have no voice They have no choice

Bless the beasts and the children For the world can never be The world they see

Light their way When the darkness surrounds them Give them love And let it shine all around them

Bless the beasts and the children Give them shelter from the storm Keep them safe Keep them warm

Light their way When the darkness surrounds them Give them love Let it shine all around them

Bless the beasts and the children Give them shelter from the storm Keep them safe And keep them warm
