La, la la, la, la la, la la la, la la la . . .

If they gave me a choice
if they left it to me
I know just what my present would be
Peace on earth to all men
and good will once again
all the things we truly believe
since that long, long ago Christmas Eve!

La, la la, la la, la la la, la la la, la la Christmas Eve, Christmas Eve!

La, la la, la, la la, la, la la . . . to fade
