## **Everybody's Talking**

Everybody's talkin' at me I don't hear a word they're sayin' only the echoes of my mind!

People stop an' starin' I can't even see their faces only the shadows of their eyes!

Goin' where the sun keeps a-shinin' through the pouring rain goin' where the weather suits my clothes!

Bankin' off the north-east wind sailin' on a summer breeze skippin' over the ocean like a stone!

Goin' where the sun keeps shinin' through the pouring rain goin' where the weather suits my clothes!

Bankin' off the north-east wind sailin' on a summer breeze skippin' over the ocean like a stone!

Everybody's talkin' at me I don't hear a word they're sayin' only the echoes of my mind!

I won't leave my love behind No, I won't leave my love behind . . .

Everybody's talkin' at me . . .
