I'm Gonna Love That Gal

Perry Como

I'm gonna love that girl Like she's never been loved before, I'm gonna show that girl She's the fella that I adore. When she's in my arms again, Our dreams will all come true, The years between might never have been, We'll start our lives anew, I'm gonna kiss that girl Like she's never been kissed before, And tho' I miss that girl, She's the fella I'm waitin' for We'll never part again, She'll hold my heart again Forever and ever more I'm gonna love that girl Like she's never been loved before.
