

I Thought About You

Perry Como

I thought about walkin'
Thought about talkin'
Thought about singin'
Singin' the blues!

Thought about cryin'
Once, I even thought of dyin'
But, baby, most of all
I thought about you!

Thought of just bein'
People I'm seein'
Thought about doin'
The things that they do

Thought about livin'
Thought about forgivin'
But, baby, most of all
I thought about you!

Thought about just bein'
People I'm seein'
Thought about doin'
The things that they do

Thought about livin'
Thought about forgivin'
But, baby, most of all
I thought about you!

But, baby, most of all
Yes, I thought about you!
Thought about you
