

If I Had A Hammer

Perry Como

If I had a hammer
I would hammer in the morning
I'd hammer in the evening
All over this land!

I'd hammer out the danger
Hammer out a warning
I'd hammer 'bout the love between my brothers and my sisters
All, all, all over this land
All over this land

If I had a bell
I would ring it in the morning
I'd ring it in the evening
All over this land!

I'd ring out the danger
Ring out a warning
I'd ring 'bout the love between my brothers and my sisters
All, all, all over this land
all over this land

If I had a song
I would sing it in the morning
I'd sing it in the evening
all over this land!

I'd sing out the danger
Sing out a warning
I'd sing about my brothers and my sisters
All, all, all over this land
all over this land

Well, I got a hammer,
And I got my bell
And I got a song to sing
All over this land!

It's the hammer of justice!
It's the bell of freedom!
It's a song to sing about my brothers and my sisters
All, all all over this land!

All over this land, all over this land,
All over this land, all over this land!
