## If There Is Someone Lovelier Than You

## **Perry Como**

If there is someone lovelier than you Then I am blind, a man without a mind If there is someone lovelier than you

But no, I'm not blind, my eyes have traveled everywhere In hopes that I might find, a creature half so fair If there is someone lovelier than you By all that's beautiful, such beauty can't be true!

If there is someone lovelier than you

By all that's beautiful, such beauty can't be true!
