

If Wishes Were Kisses

Perry Como

If wishes were kisses, I'd still be kissing you
I'd hold you in my arms again the way I used to do
If wishes were kisses, how happy I would be
I'd always have you close to me to thrill me through an' through
h
If dreamers were schemers, I'd make my dream come true
If wishes were kisses, I'd still be kissing you!

If wishes were kisses, how happy I would be!
I'd always have you close to me to thrill me through an' through
h
If dreamers were schemers, I'd make my dream come true
If wishes were kisses, I'd still be kissing you
