

It Could Happen To You

Perry Como

Hide your heart from sight,
Lock your dreams at night,
It could happen to you!
Don't count stars or you might stumble,
Someone drops a sigh and down you tumble

Keep an eye on spring,
Run when church bells ring,
It could happen to you!
All I did was wonder how your arms would be,
And it happened to me

It could happen to you
All I did was wonder how your arms would be,
And it happened to me
