

Kiss Me And Kiss Me And Kiss Me

Perry Como

Kiss me an' kiss me an' kiss me
An' kiss me again dear!
Hold me an' tell me you love me
Again and again dear!

Don't let me go,
Let me know that I'm your one an' only
I want to remember this moment
Whenever I'm lonely!

Let your lips tell my heart
That you need me
That you want me near!

Let your lips tell my heart
That you love me
Kiss me an' kiss me my dear!

Baciami, baciami, baciami mia amore
Strinciami, strinciami, strinciami tre volte!

Don't let me go,
Let me know that I'm your one an' only
I want to remember this moment
Whenever I'm lonely!

(Kiss me an' kiss me)
(An' kiss me, once again!)

Baciami, baciami, baciami
Mia amore!
