

## Love In A Home

Perry Como

You can tell when you open the door  
You can tell if there's love in a home  
Every table and chair seems to smile  
Do come in, come and stay for a while

You almost feel you've been there once before  
By the shine and the glow of the room  
And the clock seems to chime, come again anytime  
You'll be welcome wherever you roam  
You can tell when there's love in a home

And the clock seems to chime, come again anytime  
You'll be welcome wherever you roam  
You can tell when there's love in a home
