

## Seattle

Perry Como

The bluest sky you ever seen in Seattle  
And the hills the greenest green in Seattle  
Like a beautiful child growing up free and wild  
Full of hopes and full of fears  
Full of laughter full of tears  
Full of dreams to last the years in Seattle, in Seattle

If you ever fall in love with a logger  
There is something you will have to understand  
For as much as he may care you will always  
Have to share his love with his green mountain land

When it's time to leave your home and your loved ones  
It's the hardest thing a girl can ever do  
And you pray that you will find  
Someone strong and good and kind  
But you're not sure what's waiting there for you

When you find your own true love  
You will know it  
By his smile, by the look in his eye  
Scent of pine trees in the air  
Never knew a day so fair  
It makes you feel so good  
That you could cry
