```
Smile, though your heart is aching, smile, even though it's bre aking!

When there are clouds in the sky, you'll get by!

If you smile through your fear an' sorrow, smile and maybe tomo rrow,

you'll see the sun come shining through for you!

Light up your face with gladness, hide every trace of sadness, although a tear may be ever so near,

that's the time you must keep on tryin', smile, what's the use of cryin'?

you'll find that life is still worthwhile, if you'll just smile!

That's the time you must keep on tryin',

smile, what's the use of cryin'?

you'll find that life is still worthwhile,

if you'll just smile!
