

# That Old Gang Of Mine

Perry Como

Sweet Adeline! (Sweet Adeline!)

My Adeline! (My Adeline!)

Gee, but I'd give the world to see

that old gang of mine!

I can't forget that old quartet

that sang "Sweet Adeline!" (Sweet Adeline!)

Goodbye forever, old fellas an' gals

goodbye forever, old sweethearts an' pals

God Bless them!

Gee, but I'd give the world to see

that old gang of mine!

Goodbye forever, old fellas an' gals

goodbye forever, old sweethearts an' pals!

God Bless them!

Gee, but I'd give the world to see

that old gang of mine!
