

## That Old Gang Of Mine

Perry Como

Sweet Adeline! (Sweet Adeline!)  
My Adeline! (My Adeline!)

Gee, but I'd give the world to see  
that old gang of mine!  
I can't forget that old quartet  
that sang "Sweet Adeline!" (Sweet Adeline!)

Goodbye forever, old fellas an' gals  
goodbye forever, old sweethearts an' pals  
God Bless them!

Gee, but I'd give the world to see  
that old gang of mine!

Goodbye forever, old fellas an' gals  
goodbye forever, old sweethearts an' pals!  
God Bless them!

Gee, but I'd give the world to see  
that old gang of mine!
