

## When I Need You

Perry Como

When I need you,  
I just close my eyes and I'm with you  
and all that I so want to give you,  
it's only a heartbeat away!

When I need love,  
I hold out my hands and I touch love  
I never knew there was so much love  
keeping me warm night an' day!

A thousand miles of empty space in between us  
a telephone can take the place of your smile  
but you know I won't be travellin' forever  
it's cold out, but hold out an do like I do!

When I need you,  
I just close my eyes and I'm with you  
and all that I so want to give you,  
it's only a heartbeat away!

It's not easy when the road is goodbye, love! ( goodbye, love!  
)  
Honey, that's a heavy load that we bare!

But you know I won't be travellin' a lifetime!  
It's cold out, but hold out  
an do like I do!

When I need love,  
I hold out my hands and I touch love  
I never knew there was so much love  
keeping me warm night an' day!

When it's cold out,  
hold out an do like I do  
when I need you!
