

# Everlasting

Persephone

Dying... Dying?  
Is death fulfilling?  
I was always willing - to live  
With you  
My soul will be save  
My bones lie in a grave - to rest  
With you

How long lasts eternity?

Dying... Dying!  
Is death calm?  
It won't do any harm - to be  
With you  
I'll walk over the rainbow  
When I escape the mortal flow - to stay  
With you

How long lasts eternity?

With a glorious bonfire  
Heaven welcomes my soul  
Angels emerge...  
They sing their greatest hallelujah  
And the most beautiful of all is you
