

Mera Sangeet kho gaya

Persephone

I can't hear the songs I wrote
I can't remember the melody of life
My heart is mute
Silenced senses made me forget
Mera sangeet kho gaya...

I can't feel the songs I wrote
I can't remember the melody of pain
My love is mute
Silenced senses made me forget
Mera sangeet kho gaya...

I can't hear the songs I wrote
I can't remember the melody of feelings
My tears are mute
Silenced senses made me forget
Mera sangeet kho gaya...

I can't feel the songs I wrote
I can't remember the melody of fear
My thoughts are mute
Silenced senses made me forget
Mera sangeet kho gaya...
