Mera Sangeet kho gaya

Persephone

I can't hear the songs I wrote I can't remember the melody of life My heart is mute Silenced senses made me forget Mera sangeet kho gaya...

I can't feel the songs I wrote I can't remember the melody of pain My love is mute Silenced senses made me forget Mera sangeet kho gaya...

I can't hear the songs I wrote I can't remember the melody of feelings My tears are mute Silenced senses made me forget Mera sangeet kho gaya...

I can't feel the songs I wrote I can't remember the melody of fear My thoughts are mute Silenced senses made me forget Mera sangeet kho gaya...
